

2021 NECOEM and MaAOHN Annual Conference

Resilient, Responsive, Resourceful

To receive continuing education credit, you must fill out an online evaluation for each session attended. [Link is below.](#)

You may complete the survey on your mobile or other device at the conclusion of each conference session, but you must complete the evaluation on the same device you began it on. The Survey will not time out on your device so you may continue it during the conference.

If you wait until the conclusion of the conference, the online evaluation should be completed as soon as possible after the end of your conference stay. You may find it helpful to make notes regarding the sessions as the day proceeds. Please reserve around 12 minutes to fill out the survey.

Your responses and ideas for future events are important, as the information you provide will be used to evaluate this program and plan future events. WiFi is available in the ballroom and in all public areas.

Continuing education information and credits will be available to you as a link at the end of the survey.

The following Link to the Survey Monkey Evaluation 2021 has been sent to all conference attendees. The link works best if you click it from your email and not try to type it into a browser.
